Romas Villa - A rare find of 70 magic acres of fertile, flood free country with dual frontage to Elaman Creek. This beautiful property exudes a complete feeling of peace and tranquillity. Elaman Creek forms part of the Mary River catchment and runs right through the property creating your very own waterfall and permanent, spring fed waterholes and streams. These provide perfect habitat for quite a few platypus families, Mary River Cod and Silky Catfish. There are two spring fed dams and 6 x 5000 gallon tanks positioned around the property to gravity feed to different areas, ensuring a constant supply of water.
