#### Owners Moving On - So You can Move In

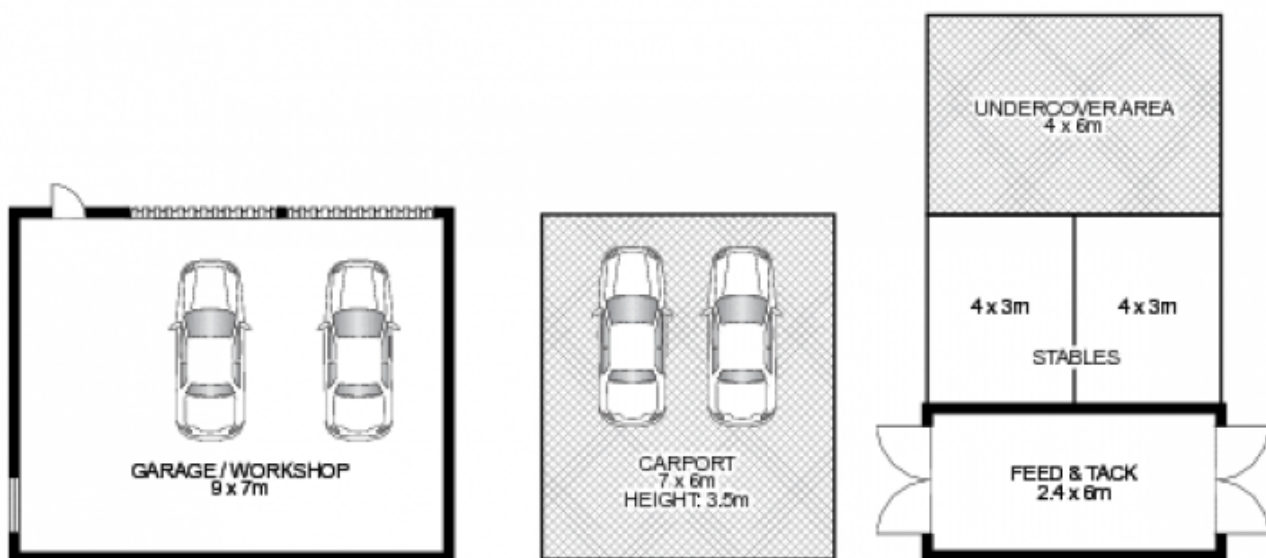

Set in an elevated position and boasting panoramic rural views, you will find this beautifully presented architecturally designed home, located on 1.61 hectares (3.9 acres) of usable land. The North/Eastern boundary of the property winds along the iconic Obi Obi Creek, with a resident platypus family completing this very peaceful and unique property.

The land is currently being used for horses featuring 2 stables complete with fans, electricity and water, concrete, wash down bay and storage area for a tractor or mower. Shipping container used as a feed and tack room with dual access both ends. The property boasts rich, red volcanic soil supporting an established orchard. Water is a feature of this property with a drinkable bore and an ample supply
