## Beautifying Maple Street

If you've been enjoying the welcome addition of many bright and beautiful hanging baskets now adorning the businesses along Maple Street and the Maleny Hotel, here's where they came from!

The Maleny Street Gardener's Alliance, a group of local gardening enthusiasts, has been working towards beautifying Maple Street for almost one year now - here's an update on what they have achieved. As a completely voluntary group, with no funding from Council, their only source of funds is from the shop owners and tenants who are just as committed as they are to beautifying Maleny. In one short year they have come a long way:

- Worked with the Sunshine Coast Council to complete the upgrade of the roundabout at the eastern entry to Maple Street. They are currently speaking with the Council to refurbish it after the extreme rain conditions have impacted on its attractiveness as the main entry to Maleny.
- Lodged an application with the Department of Transport and Main Roads to gain permission to adorn the Obi Obi Bridge with tubs and hanging baskets.
- Hung 63 baskets/tubs along Maple Street in front of their sponsors' businesses.
- Completed their first major hanging basket maintenance program by replacing 28 hanging baskets, which had suffered during the rainy conditions, with baskets of blossoming blooms.

- Employed a Maleny resident to water the baskets and tubs twice weekly.

### They are currently involved in

- Fully maintaining the baskets and tubs along Maple Street - hanging, watering, fertilising and replacement when required.
- Working with community groups involved in the Sunshine Coast Council Maleny Streetscape Project Group and Placemaker Group.
- Establishing another 50-80 hanging baskets populated with Spring flowers for display in Maple Street at the end of our winter.
- Applying for grants to support their activities.

The MSGA's volunteer's enthusiasm for this program continues to be very strong, and they thank the Maleny community for the very positive responses and suggestions they have received.

The Sunshine Coast Council is asking the community for any feedback on minor improvements to Maple Street to ensure it remains bustling and welcoming for all. Feedback can be given at:

<https://haveyoursay.sunshinecoast.qld.gov.au/maleny-placemaking-and-streetscape-project>

What a great asset to Maleny are the volunteers from The Maleny Street Gardener's Alliance - don't forget to give them a cheery smile next time you see them up and down the street as they go about their task!

# Bingo for Smart Pups

Did you know it costs approximately \$30,000 to raise, train and place a Smart Pups Assistance Dog? Smart Pups relies entirely on donations and fundraising efforts, and while they do not charge their clients for a Smart Pup, they do ask for assistance with fundraising, and require a \$20,000 donation toward the client's Smart Pup.

Read all about their mission here:

<https://www.smartpups.org.au/>

At eight weeks old, specially bred and selected Labradors and Golden Retrievers begin their training with foster families. Their daily routine is one of fun, sleep, exercise, house training, and basic obedience. Puppies enjoy lots of socialisation and public interaction out in the community.

A Smart Pup acts as a bridge between each child and the outside world; guiding children through their daily routine,

keeping them safe and comforting them when the world just gets too much.

Local, Jared Ashcroft has organised a great night of Drag Queen Bingo in his own efforts to raise funds for Smart Pups and would love it if you could join him on the night. Jared's request is to "Please help me raise much needed funds for this amazing organisation that works tirelessly in our community to improve the lives of children with autism."

You can help him do this by attending the Drag Queen Bingo on Saturday 20th August at Maleny RSL. It'll be a great night out with friends, while supporting Smart Pups!

You can grab your tickets at:

[Ticketbo.com.au/smartpups](https://www.ticketbo.com.au/smartpups)

Jared and friends will additionally be taking part in the Bridge to Brisbane 10km walk as an additional fundraiser for Smart Pups, watch out for further news on that one and in the meantime, if you can't make the Bingo, why not make a donation to the Bridge to Brisbane that will see any donations made to Jared's team go to Smart Pups too?

## Hinterland Gems

## Appreciating the past at Cooke Park

by Gay Liddington

**C**OOKE PARK NESTLES in the heart of Maleny. It is where children play, friends meet and people gather to catch the bus. In season, a flame tree sheds its spent flowers onto paths while a plaque on the fence pays homage to the park's history.

The plaque reads: *This park was dedicated by all the children of the late A.C.K. & A.M. Cooke as a tribute to the memory of their parents.*

Embedded in the town's pathways and buildings are the stories of pioneers such as the Cooke family. Dairy farmer Alfred Charles King Cooke, his wife Ada Margaret and children settled in Maleny in the early 1900s. The family played a primary role in the town's development.

Granddaughter Margaret Thompson (nee Cooke), resident of Witta shared her memories and family history.

"In 1909, Granddad built a house in Maple Street for his family and named it 'Rosedale'. Later, it was converted to a guest house and is now known as Maleny Lodge.

"When I was a little girl I would visit Granddad on a Saturday morning. He would sit on the verandah of 'Rosedale' guarding his foot. He had gout and was terrified of bumping it.

"He owned that land where Cooke Park is now situated and also the block next to it which he donated to the community for an ambulance station."

Around 1910 Alfred Cooke became the licensee of Maleny Hotel.

"If he hadn't taken over the hotel they would have lost their license. He also built the cattle saleyards which were

next to the pub and then started a stock auction business," said Margaret.

Ada Cooke's passing preceded her husband by 13 years. After the esteemed A.C.K Cooke died in 1946 the family donated a block of land in Maple Street to the community. A park was created in honour of their parents.

In 2009, Sunshine Coast Regional Council implemented a streetscape upgrade in Maleny. This included work on the Cooke Park frontage adding to the charm of the playground

# The Range Croquet Club - Maleny

There was no play on Thursday 21st because of the weather.

Saturday morning it was still bleak with training almost abandoned but for Wallace Roy and Sarah Widin having a friendly. "No score recorded" did not reflect on the quality of play.

Wallace has recently completed a two-hour hoop setting course run by Liz and Bruce Flemming at Nambour.

Approximately fifteen people from other clubs

participated to learn some of the intricacies of putting hoops in, packing them, and using the tools available for their correct setting.

Congratulations Wallace. It's great to have people gaining the technical expertise to set the lawn correctly. The attached photo

shows Wallace sporting the badge

awarded for completion of the course.

Two lawns were used on Sunday 25th. On lawn two, Stuart Craig and Wallace played three good games of golf croquet. Wallace won all three. Val Carbery and Sarah played a game of doubles on lawn one against Vince Carbery and Helen Andrews, winning 15 - 5.

Nick Cram and Ken Barker shared the lawn with them to play a singles game which Ken won 24 - 10.

The open club championships begin this week, on Tuesday 26th. Spectators are welcome.

Play days: Thursday and Sunday 1.00 pm for 1.30.

Contact Sarah Widin for other days. Please arrive at 1

pm for games to be arranged by 1.15.

Coaching: is available on Saturday mornings at 8 am.
